

Alternative blocks for V2.1 – rec'd 11/16/2017 (shown with other #20 and #21 blocks)

This stack-up does NOT show how the blocks were arranged in the V2.1 prototype. "X" blocks were not used.

This is how the blocks were Arranged in the V2.1 Prototype (view from front, looking downstream). This is not the actual stack of blocks- it is a collage of individual photos. The spacing between blocks is not representative of the actual assembly.
