**ORDER NOW**

When ordering our **Turnkey** service. For your benefit, our Engineers will run a **full (and free!) DFA and DFM check** on your design to ensure any issues are caught up front before we start fabrication.

*Note: We typically run DFM/DFA checks on your files to ensure that your boards are made right the first time. If any issues are found during DFM/DFA, you must resolve them quickly so that your Ship Date is not affected. See [Terms & Conditions](https://www.protoexpress.com/pcb/sierra-circuits-terms-and-conditions/) (<https://www.protoexpress.com/pcb/sierra-circuits-terms-and-conditions/>) for details.*
